Letter to Secretary Benson (March 5, 2020).pdf;

The Michigan Department of State (Department) acknowledges receipt of your attached letter dated March 5, 2020 and received March 6, 2020 in which you request records under the National Voter Registration Act. You request to physically inspect these records at our office on March 13, 2020. As you may be aware, Michigan just conducted a statewide Presidential Primary on March 10, 2020 with near-record turnout. The Bureau of Elections has been appropriately focused on election administration.

Please note that records will not be made available tomorrow – 5 business days after we received your request coupled with in an intervening Presidential Primary election. We will not be able to make records available if you visit our office on March 13, 2020 and wanted to provide you with advance notice of that fact. I will provide you a written response by March 26, 2020 after we have reviewed and evaluated your request.
