Re: Your March 15, 2017 letter

Dear Director Churchwell:

I am writing in response to your March 15, 2017 letter concerning the list maintenance program prescribed by the federal National Voter Registration Act. For ease of reference, I have repeated below each of the four requests you have made, with a response to each request appearing immediately below the request.

Request #1. Documents regarding all registrants who were identified as potentially not satisfying the citizenship requirements for registration from any information source, including information obtained from the New Jersey Motor Vehicle Commission or from the New Jersey Department of State since 2009. This request extends to all documents that provide the name of the registrant, the voting history of such registrant, the nature and content of any notice sent to the registrant, including the date of the notice, the response (if any) of the registrant, and actions taken regarding the registrant's registration (if any) and the date of the action. This request extends to electronic records capable of compilation.

Response #1. The Commissioner's office does not have any documents that are responsive to your request.

Request #2. All communications regarding your list maintenance activities relating to #1 above to the County Prosecutor(s), New Jersey Attorney General, New Jersey State Police, any other state law enforcement agencies, the United States Attorney's office, or the Federal Bureau of Investigation.

Response #2. The Commissioner's office does not have any records that are responsive to your request.
