Dear Voter,

The Atlantic County Superintendent of Elections office has been informed that you are not a United States Citizen. In compliance with Federal Election Law, a person must be a United States citizen before he/she can register to vote. Because you are not a United States citizen, you are not qualified to become a registered voter, and, therefore, not entitled to vote.

Please sign your name below certifying the removal of your name from the New Jersey Statewide Voter Registration System record of persons eligible to vote. Thank you for cooperation.

Very truly yours,

Marge Durdack

RE: N-336, Request for a Hearing on a Decision in Naturalization Proceedings
Hector Radhame Guerrero Bernabel

To Whom It May Concern:

Please be advised that the above caption person executed paperwork for the removal of his Inactive Voter Registration from the New Jersey Statewide Voter Registration System, as a non-citizen of the US. This was done at the office of the Atlantic County Superintendent of Elections this date. A copy of this paperwork and also his Voter Profile confirming his deleted status and the fact that he has no voting history, is provided.

There is no voter registration card available as applicant does not have original one mailed at time of registration, and it is not possible to provide a duplicate at this time. Further, there is no copy of a Voter Registration Application available, as this was an MVC On-Line Voter, who, while conducting Motor Vehicle/Driver License business at the Motor Vehicle Commission, indicated that he wished to become registered to vote simply by checking a box.

If you have any questions, or need anything further, please feel free to contact me.

Very truly yours,

Marge Durdack
