STATEMENT OF THE CASE

Nature of the Case

Respondent's office has consistently approved applications for voter registration for facially ineligible registrants. In particular, Respondent registers to vote applicants that do not affirm and answer "YES" to the question "Are you a United States citizen?" and also answer "NO" to the same question, even though Texas law requires her to reject those applications. Tex. Elec. Code § 13.072(c).

Respondent

Ann Harris Bennett, in her official capacity as voter registrar for Harris County, Texas

Relief Requested

Respondent should be required to reject or challenge all applications that do not contain a "YES" answer to the question "Are you a United States citizen?" and to undertake (or allow) a complete review of any original voter applications in order to catalog and take appropriate action on all other applications where the applicant states under penalty of perjury they are not a United States citizen.

STATEMENT OF JURISDICTION

This Court has jurisdiction over this petition for a writ of mandamus. *See* Tex. Election Code § 273.061 (“The supreme court or a court of appeals may issue a writ of mandamus to compel the performance of any duty imposed by law in connection with the holding of an election or a political party convention, regardless of whether the person responsible for performing the duty is a public officer.”).

STATEMENT REGARDING ORAL ARGUMENT AND REQUEST FOR EXPEDITED BRIEFING AND DECISION

Harris County began mailing absentee ballots in “mid-September.”¹ Early in-person voting begins October 13, 2020.² The 2020 General Election will take place November 3, 2020. The records at issue and those supporting this petition are familiar to Respondent because they originate from the Respondent’s office. Therefore, Relator respectfully requests that the Court expedite this petition by requesting a response no later than October 2, 2020, and a reply no later October 6, 2020, with a decision to be issued by October 12. *See Davis v. Taylor*, 930 S.W.2d 581, 582 (Tex. 1996) (expediting briefing and oral argument in election-related proceeding).

Because the duties described herein are clear and mandatory, the petition can be granted without oral argument.

STATEMENT OF THE ISSUES PRESENTED

1. Is Respondent failing to perform her nondiscretionary, ministerial duties to review and reject or challenge applications for voter registration that contain a “NO” answer to the question “Are you a United States citizen?”

2. Is Respondent failing to perform her nondiscretionary, ministerial duties to review and reject or challenge applications for voter registration that do not contain a “YES” answer to the question “Are you a United States citizen?”

INTRODUCTION

United States citizenship is a requirement for voter registration in Texas. Tex. Elec. Code § 13.001(a)(2). Yet Respondent's office has for years consistently approved applications for voter registration that do not contain a "YES" answer to the question "Are you a United States citizen?" Those approved applications either contain a "NO" answer or do not contain an answer at all.

Registrar Bennett has no discretion to approve applications that do not contain a "YES" answer to the citizenship question. Rather, Texas law is clear that Registrar Bennett "*shall* reject th[ose] application[s]." Tex. Elec. Code § 13.072(c) (emphasis added). The records included in the attached Appendix demonstrate that she is not complying with her ministerial duty to reject insufficient applications.

When an applicant marks "NO" to the citizenship question under penalty of perjury, but is registered to vote anyway, the resulting harm is significant. If in fact the applicant is *not* a United States citizen, registration alone can cause problems and delays during any subsequent naturalization process. If the registrant casts a vote—even if under the mistaken belief that she can—she may subject herself to severe penalties. Even one ineligible vote cast by accident cancels out the vote of another Texan.

However, for purposes of this petition, it makes no difference whether the applicant is or is not a citizen of the United States. What matters is whether the

applicant and Registrar Bennett have complied with the requirements of Texas law because “compliance with state election laws . . . is mandatory.” *Bejarano v. Hunter*, 899 S.W.2d 346, 350 (Tex. App. 1995). “Failure to perform her duty subjects [Registrar Bennett] to mandamus.” *Id.*

STATEMENT OF FACTS

The Foundation's Purpose and Mission

The Public Interest Legal Foundation, Inc. (the “Foundation”) is a non-partisan, public interest organization incorporated and based in Indianapolis, Indiana. Appendix (“App.”) at 2. The Foundation’s mission is to promote the integrity of elections nationwide through research, education, remedial programs, and litigation. App. at 2. The Foundation also seeks to ensure that voter qualification laws and election administration procedures are followed. App. at 2. Specifically, the Foundation seeks to ensure that the nation’s voter rolls are accurate and current, working with election administrators nationwide and educating the public about the same. App. at 2. The Foundation relies on state and federal open records laws to assess the accuracy of voter registration records and compliance with voter list maintenance laws. App. at 2-3.

After More than Two Years of Litigation, the Foundation Obtains Voter List Maintenance Records from Registrar Bennett

In December 2017, the Foundation submitted a request to Registrar Bennett asking to inspect or receive copies of records concerning Registrar Bennett’s programs and activities conducted for the purpose of ensuring the accuracy of the voter roll. App. at 3. The request was made pursuant to the open records provision of the National Voter Registration Act of 1993 (“NVRA”), 52 U.S.C. § 20507(i). App. at 3. Registrar Bennett refused to provide access to the requested records and

the Foundation thereafter filed an action in federal court to compel Registrar Bennett's compliance with the NVRA, *Public Interest Legal Foundation v. Bennett*, No. 4:18-cv-00981 (S.D. Tex., filed March 29, 2018). App. at 3.

More than two years after the request for records was made—and after her motion to dismiss was denied³—Registrar Bennett agreed to resolve the dispute through a court-ordered settlement. App. at 3. On March 17, 2020, the court entered the Agreed Order, which obligates Registrar Bennett to provide to the Foundation approximately seven years of voter list maintenance records, *See Doc. 76, Public Interest Legal Foundation v. Bennett*, No. 4:18-cv-00981 (S.D. Tex., filed March 13, 2020). App. at 3-4. Although the Agreed Order obligated Registrar Bennett to produce all records within ninety days of entry of the order—or by June 15, 2020—Registrar Bennett began producing records on a rolling basis on June 22, 2020. App. at 4. As of the date of this petition, Foundation has not yet received all records to which it is entitled under the terms of the Agreed Order. App. at 4. This delay in compliance with both federal laws mandating disclosure and indeed even the Agreed Order to disclose records is relevant as it impairs, if not extinguishes entirely, the equitable defense of laches to this action.

³ *Public Interest Legal Found. v. Bennett*, No. 4:18-CV-00981, 2019 U.S. Dist. LEXIS 38686 (S.D. Tex. Mar. 11, 2019), *adopting recommendation of Public Interest Legal Found. v. Bennett*, No. H-18-0981, 2019 U.S. Dist. LEXIS 39723 (S.D. Tex. Feb. 6, 2019).

The Foundation incurred substantial costs obtaining Registrar Bennett’s voter list maintenance records. App. at 4. After entry of the Agreed Order, the Foundation moved for an award of attorneys fees, costs, and expenses reasonably expended in the litigation in an amount totaling more than \$210,000, Doc. 85, *Public Interest Legal Foundation v. Bennett*, No. 4:18-cv-00981 (S.D. Tex., filed March 13, 2020). App. at 4. The Foundation has incurred additional costs of time and money reviewing and cataloging the records and analyzing Registrar Bennett’s compliance with state and federal voter list maintenance laws. App. at 4.

Registrar Bennett’s Ministerial Duties Under the Texas Election Code

“To be eligible for registration as a voter in [Texas], a person must . . . be a United States citizen[.]” Tex. Elec. Code § 13.001(a)(2). “A person desiring to register to vote must submit an application to the registrar of the county in which the person resides.” Tex. Elec. Code § 13.002(a). The “registration application must include . . . a statement that the applicant is a United States citizen.” Tex. Elec. Code § 13.002(c)(3). Both the Texas voter registration application and the federal voter registration application ask the applicant to affirm his or her citizenship by checking “YES” or “NO” to a variation of the question “Are you a United States citizen?”⁴ The Texas voter registration form instructs that the

citizenship question “MUST BE COMPLETED BEFORE PROCEEDING.”⁵ The Texas Election Code provides, “The registrar *shall* review each submitted application for registration to determine whether it complies with Section 13.002 and indicates that the applicant is eligible for registration.” Tex. Elec. Code § 13.071(a) (emphasis added). “[I]f the registrar determines that an application does not comply with Section 13.002 or does not indicate that the applicant is eligible for registration, the registrar *shall* reject the application.” Tex. Elec. Code § 13.072(c) (emphasis added). Furthermore, “[if] after determining that an application complies with Section 13.002 and indicates that the applicant is eligible for registration, the registrar has reason to believe the applicant is not eligible for registration or the application was submitted in an unauthorized manner, the registrar shall challenge the applicant.” Tex. Elec. Code § 13.074(a).

Records Received from Registrar Bennett

1. Registrar Bennett’s Office is Approving Voter Applications on Which the Applicant Answered “NO” to the Citizenship Question.

The Appendix to this petition contains true and correct copies of voter list maintenance records obtained from Registrar Bennett relating to applicants who answered “NO” to the citizenship question on the voter registration form but were nevertheless added to the official list of eligible voters. App. at 4-5. Each registrant

was later removed from the voter roll after the registrant purportedly made another attestation of non-citizenship or otherwise did not affirm citizenship. App. at 5.

On the following page is a representative example of the records contained in the Appendix. The first image below shows the application for voter registration. App. at 5. The red arrows show that the applicant answered “NO” to the question “Are you a United States Citizen?” App. at 5. The green arrows show that the applicant noted on his form that he was a “legal” resident and “not yet” a United States citizen. App. at 5-6. The blue arrows provide the date the application was completed, June 12, 2012.⁶ App. at 6.

⁶ The records included with this petition came to the Foundation with certain information redacted, such as driver’s license and social security numbers. The Foundation has further redacted name, address, birth date, signature information, and voter ID number. If the Court orders, the Foundation will file these records unredacted under seal.

ARGUMENT

I. Mandamus is Appropriate to Compel Compliance with a Non-Discretionary, Ministerial Duty.

“A writ of mandamus will issue to compel a public official to perform a ministerial act.” *Anderson v. Seven Points*, 806 S.W.2d 791, 793 (Tex. 1991) (citing *Womack v. Berry*, 156 Tex. 44, 291 S.W.2d 677, 682 (1956); *Turner v. Pruitt*, 161 Tex. 532, 342 S.W.2d 422, 423 (1961)). “An act is ministerial when the law clearly spells out the duty to be performed by the official with sufficient certainty that nothing is left to the exercise of discretion.” *Anderson*, 291 S.W.2d at 793. That is the case here.

II. Registrar Bennett Has a Ministerial Duty to Comply with and Enforce the Requirements of the Texas Election Code.

A. Registrar Bennett has a Ministerial Duty to Review Each Application and Ensure that the Applicant Has Checked “YES” to the Citizenship Question.

Texas Election Code Section 13.001(a) provides the requirements for voter registration in Texas. One of those requirements is United States citizenship. Tex. Elec. Code § 13.001(a)(2). “A person desiring to register to vote must submit an application to the registrar of the county in which the person resides,” Tex. Elec. Code § 13.002(a), and that “registration application must include . . . a statement that the applicant is a United States citizen.” Tex. Elec. Code § 13.002(c)(3).

Texas Election Code Section 13.071(a) provides, “The registrar *shall* review each submitted application for registration to determine whether it complies with Section 13.002 and indicates that the applicant is eligible for registration.” Tex. Elec. Code § 13.071(a) (emphasis added). The duty to review each application is not discretionary; it is mandatory. *In re Robinson*, 175 S.W.3d 824, 830 (Tex. App. 2005) (“The use of the word *shall* in a statute is generally construed as creating a nondiscretionary duty.”). This duty includes the specific obligation to ensure that each application contains “a statement that the applicant is a United States citizen.” Tex. Elec. Code § 13.002(c)(3). The Texas voter registration form requires the applicant to make that statement by checking “YES” to the question “Are you a United States citizen?” Registrar Bennett thus has a ministerial duty to review each application to ensure that the applicant has answered (or checked) “YES” to the citizenship question.

B. Registrar Bennett has a Ministerial Duty to Reject an Application for Voter Registration that Does Not Contain a “YES” Answer to the Citizenship Question.

Texas Election Code Section 13.072(c) provides, “[I]f the registrar determines that an application does not comply with Section 13.002 or does not indicate that the applicant is eligible for registration, the registrar *shall* reject the application.” (Emphasis added). The obligation to reject insufficient applications is not discretionary; it is mandatory. *See In re Robinson*, 175 S.W.3d at 830. An

application “does not comply with Section 13.002” and “does not indicate that the applicant is eligible for registration” if the application does not contain a “YES” answer to the citizenship question. *See* Tex. Elec. Code § 13.002(c)(3) (application must contain “a statement that the applicant is a United States citizen”). Registrar Bennett thus has a ministerial duty to reject applications that contain a “NO” answer to the citizenship question or do not contain an answer to the citizenship question. *See Bejarano*, 899 S.W.2d at 350 (“The clerk’s duty to reject all insufficient applications for a place on the ballot is ministerial.”).⁸

C. Registrar Bennett has a Ministerial Duty to Challenge a Registration That Does Not Include an Application with a “YES” Answer to the Citizenship Question.

Texas Election Code Section 13.074(a) provides, [if] after determining that an application complies with Section 13.002 and indicates that the applicant is eligible for registration, the registrar has reason to believe the applicant is not eligible for registration or the application was submitted in an unauthorized manner, the registrar *shall* challenge the applicant.” (Emphasis added). The duty to challenge ineligible registrants is not discretionary; it is mandatory. *In re Robinson*,

⁸ This is true even though the applicant, by signing the application, affirms he or she is an U.S. Citizen. *See* Section 10, Texas Voter Registration Application, *available at* <https://eforms.com/download/2017/10/Texas-Voter-Registration-Application.pdf> (last accessed September 24, 2020). The application states that the questions in Section 1, which includes the citizenship question, “MUST BE COMPLETED BEFORE PROCEEDING.” *See id.* at Section 1. The applicant is thus instructed to not complete and sign the application unless she first answers the citizenship question.

175 S.W.3d at 830. A registrant is “not eligible for registration” if he or she has submitted an application that does not contain a “YES” answer to the citizenship question. Tex. Elec. Code § 13.002(c)(3) (application must contain “a statement that the applicant is a United States citizen”). Registrar Bennett thus has a ministerial duty to initiate challenge procedures for registrants who have not submitted an application with a “YES” answer to the citizenship question.

III. The Record Demonstrates that Registrar Bennett is Not Complying with Her Ministerial Duties under the Texas Election Code.

The Appendix attached to this petition contains true and correct copies of voter list maintenance records produced by the Respondent concerning registrants who answered “NO” to the citizenship question or did not answer the citizenship question.⁹ App. at 4-6. Registrar Bennett had a ministerial duty to reject these applications, but she did not do so. “Failure to perform her duty subjects [Registrar Bennett] to mandamus.” *Bejarano v. Hunter*, 899 S.W.2d 346, 350 (Tex. App. 1995). Absent an order compelling Registrar Bennett to comply with her ministerial duties under the Texas Election Code, applications that do not contain “a statement that the applicant is a United States citizen,” Tex. Elec. Code § 13.002(c)(3), will continue to be approved.

⁹ The Foundation makes no statement as to whether these applicants are or are not United States citizens. The Foundation is stating only that official government records indicate that they answered “NO” to the citizenship question or did not answer the question.

The registrations included in the Appendix were canceled only because each registrant purportedly made a subsequent attestation of non-citizenship after being added to the voter roll.¹⁰ App. at 5. It is therefore nearly assured that additional applicants who did not answer “YES” to the citizenship question remain registered to vote. Absent an order compelling Registrar Bennett to review applications in her possession for sufficiency, Tex. Elec. Code § 13.071(a), and initiate challenge procedures for registrations that do not include an application containing a “YES” answer to the citizenship question, ineligible registrants may remain registered.¹¹

IV. The Foundation Is Being Harmed, and Will Continue to be Harmed, Absent Relief.

Registrar Harris’s non-compliance with the law is harming the Foundation and will continue to harm the Foundation, absent relief. As an integral part of its public interest mission, the Foundation disseminates information about compliance by state and local election officials with voter list maintenance statutes. App. at 2. The Foundation also promotes election integrity and compliance with federal and state statutes that ensure the integrity of elections. Registrar Bennett’s non-compliance with Texas Law has impaired and will continue to impair the Foundation from carrying out its mission. App. at 2-4.

¹⁰ This typically occurs when the registrant submits a subsequent application for voter registration or responds to a jury summons.

¹¹ The Foundation is not requesting that any registration be cancelled without full compliance with all necessary procedures found in state and/or federal law.

The Foundation has diverted resources and incurred substantial costs to obtain Registrar Bennett's voter list maintenance records and monitor her compliance with the Texas Election Code. App. at 4. Absent relief, the Foundation will be forced to divert additional resources to Harris County and incur additional costs to continue to engage in similar record gathering and monitoring activities, as well the promotion of remedial measures. App. at 4.

V. The Foundation Has No Other Adequate Remedy.

"Mandamus will not issue where there is 'a clear and adequate remedy at law[.]'" *Walker v. Packer*, 827 S.W.2d 833, 840 (Tex. 1992) (quoting *State v. Walker*, 679 S.W.2d 484, 485 (Tex. 1984)). The Foundation has no such remedy. While the NVRA permits private parties to sue election officials for inadequate voter list maintenance, 52 U.S.C. § 20510(b), the NVRA does not expressly require election officials to conduct voter list maintenance based on the answer to the citizenship question, *see* 52 U.S.C. § 20507(a)(3)-(4). The NVRA is therefore not a "clear and adequate remedy." *Walker*, 827 S.W.2d at 840.

Remedies found in Texas law are also not "clear and adequate" to achieve the remedy sought in this petition. Texas Election Code Section 273.081 is limited to "injunctive relief" to "prevent" violations from occurring. The Foundation does not seek injunctive relief; it seeks affirmative compliance with ministerial duties. It

is therefore not “clear” that Section 273.081 is “adequate” under these circumstances.

Even where “a remedy at law may technically exist . . . it may nevertheless be so uncertain, tedious, burdensome, slow, inconvenient, inappropriate or ineffective as to be deemed inadequate.” *Smith v. Flack*, 728 S.W.2d 784, 792 (Tex. Crim. App. 1987). Whether mandamus is appropriate “depends heavily on the circumstances and is better guided by general principles than by simple rules.” *In re Prudential Ins. Co. of Am.*, 148 S.W.3d 124, 137 (Tex. 2004) (orig. proceeding). Given the proximity to election day and the importance of the issues presented, “the benefits of mandamus review outweigh the detriments.” *Id.* at 136. To proceed in any other manner would be too uncertain, slow, inconvenient, and ineffective under these circumstances. *Flack*, 728 S.W.2d at 792.

Finally, the instances presented to this Court of the Respondent failing to comply with Texas law by approving registration applications that do not affirmatively answer “YES” to the citizenship question are only those which were detected by the Respondent through various circumstances. Unquestionably more exist and have not been detected. In many instances the original application records exist and given the Respondent’s past failures to comply with Texas law, this Court should order the Respondent to review—or to permit the Foundation to review—the universe of original documents to catalog any additional and

heretofore undetected instances of failure to comply with Texas law related to the citizenship question.

VI. Conclusion and Prayer for Relief

For these reasons, Relator respectfully requests that the Court grant this petition for writ of mandamus and enter an order compelling Registrar Bennett to do the following:

1. Review all new applications received for compliance with Texas Election Code Section 13.002(c)(3), as required by Texas Election Code Section 13.071(a);
2. Reject any application that contains a “NO” answer to the citizenship question or does not answer “YES” to the citizenship question, as required by Texas Election Code Section 13.072(c);
3. Review all previously filed applications of registered voters, or permit the Foundation to review them, and initiate challenge procedures for any registrant who has not submitted an application that contains a “YES” answer to the citizenship question.
4. Review all previously filed applications of registered voters, or permit the Foundation to review them, and initiate challenge procedures for any registrant who has submitted an application that contains a “NO” answer to the citizenship question.

5. Report findings of any such review to this Court and to the Secretary of State of Texas.

Dated: September 26, 2020.

Respectfully submitted,

State of Oklahoma §
 §
County of Oklahoma §

BEFORE ME, the undersigned personally appeared Logan Churchwell who, swore the following:

1. My name is Logan Churchwell. I am over 18 years of age, of sound mind, and competent to make this affidavit. I have personal knowledge of the facts stated herein, and they are true and correct to the best of my knowledge.

2. I am resident of Oklahoma.

3. I am Communications and Research Director for Public Interest Legal Foundation, Inc.

4. The Public Interest Legal Foundation, Inc. (the “Foundation”) is a non-partisan, public interest organization incorporated and based in Indianapolis, Indiana. The Foundation’s mission is to promote the integrity of elections nationwide through research, education, remedial programs, and litigation. The Foundation also seeks to ensure that voter qualification laws and election administration procedures are followed. Specifically, the Foundation seeks to ensure that the nation’s voter rolls are accurate and current, working with election administrators nationwide and educating the public about the same. As an integral part of its public interest mission, the Foundation gathers and disseminates information about compliance by state and local election officials with voter list maintenance laws. The Foundation relies on state and federal open records laws to

assess the accuracy of voter registration records and compliance with voter list maintenance laws.

5. In December 2017, the Foundation submitted a request to Ann Harris Bennett, Voter Registrar for Harris County, Texas (“Registrar Bennett”) asking to inspect or receive copies of records concerning Registrar Bennett’s programs and activities conducted for the purpose of ensuring the accuracy of the voter roll. The request was made pursuant to the open records provision of the National Voter Registration Act of 1993 (“NVRA”). 52 U.S.C. § 20507(i). Registrar Bennett did not provide access to the requested records and the Foundation thereafter filed an action in federal court to compel Registrar Bennett’s compliance with the NVRA. *Public Interest Legal Foundation v. Bennett*, No. 4:18-cv-00981 (S.D. Tex., filed March 29, 2018).

6. More than two years after the request for records was made—and after her motion to dismiss was denied¹¹—Registrar Bennett agreed to resolve the dispute through a court-ordered settlement. On March 17, 2020, the court entered the Agreed Order, which obligates Registrar Bennett to provide to the Foundation seven years of voter list maintenance records. *See* Doc. 76, *Public Interest Legal Foundation v. Bennett*, No. 4:18-cv-00981 (S.D. Tex., filed March 13, 2020).

¹¹ *Public Interest Legal Found. v. Bennett*, No. 4:18-CV-00981, 2019 U.S. Dist. LEXIS 38686 (S.D. Tex. Mar. 11, 2019), *adopting recommendation of Public Interest Legal Found. v. Bennett*, No. H-18-0981, 2019 U.S. Dist. LEXIS 39723 (S.D. Tex. Feb. 6, 2019).

Attachment A to this affidavit is a true and correct copy of the Agreed Order. The Agreed Order obligated Registrar Bennett to produce the records within ninety days of entry of the order—or by June 15, 2020. However, Registrar Bennett began producing records on a rolling basis on June 22, 2020. As of the date of the Foundation’s petition, the Foundation has not yet received all records to which it is entitled under the terms of the Agreed Order.

7. The Foundation incurred substantial costs of time and money obtaining Registrar Bennett’s voter list maintenance records. After entry of the Agreed Order, the Foundation moved for an award of attorneys fees, costs, and expenses reasonably expended in the litigation in an amount totaling more than \$210,000. Doc. 85, *Public Interest Legal Foundation v. Bennett*, No. 4:18-cv-00981 (S.D. Tex., filed March 13, 2020). The motion is pending. The Foundation has incurred additional costs of time and money reviewing and cataloging the records and analyzing Registrar Bennett’s compliance with state and federal voter list maintenance laws. If this petition is not granted, Foundation will likely be forced to divert additional resources to Harris County and incur additional costs to continue to engage in similar record gathering and monitoring activities, as well the promotion of remedial measures.

8. Attachments B and C to this affidavit contains true and correct copies of voter list maintenance records produced to the Foundation by Registrar Bennett

in compliance with the Agreed Order entered in *Public Interest Legal Foundation v. Bennett*, No. 4:18-cv-00981 (S.D. Tex., filed March 29, 2018).

9. Attachment B contains true and correct copies of voter list maintenance records relating to applicants who answered “NO” to the question “Are you a United States citizen?” on the voter registration form. According to Registrar Bennett’s records, each of these applicants was registered to vote anyway. It is my understanding that each of these registrants was removed from the voter roll after making a subsequent attestation of non-citizenship.

10. Attachment C to this affidavit contains true and correct copies of voter list maintenance records relating to applicants who did not answer the question “Are you a United States citizen?” on the voter registration form. According to Registrar Bennett’s records, each of these applicants was registered to vote anyway. It is my understanding that each of these registrants was removed from the voter roll after making a subsequent attestation of non-citizenship.

11. The following is a representative example of the records contained in Attachments B and C to this Affidavit. The first image below shows the application for voter registration. The red arrows show that the applicant answered “NO” to the question “Are you a United States Citizen?” The green arrows show that the applicant noted on his form that he was a “legal” resident and “not yet” a

United States citizen. The blue arrows provide the date the application was completed, June 12, 2012.¹²

¹² The records included with this petition came to the Foundation with certain information redacted, such as driver's license and social security numbers. The Foundation has further redacted name, address, birth date, signature information.

AGREED ORDER

Upon consideration of the Motion for Entry of Agreed Order filed by the parties to this action, it is hereby ORDERED, ADJUDGED, and DECREED as following:

I. BACKGROUND

1. On March 29, 2018, Plaintiff Public Interest Legal Foundation filed this action pursuant to the National Voter Registration Act of 1993 ("NVRA"), 52 U.S.C. §§ 20501 *et seq.* for alleged violations of Section 8 of the NVRA, 52 U.S.C. § 20507.

2. Section 8(i) of the NVRA provides, in relevant part,

Each State shall maintain for at least 2 years and shall make available for public inspection and, where available, photocopying at a reasonable cost, all records concerning the implementation of programs and activities conducted for the purpose of ensuring the accuracy and currency of official lists of eligible voters, except to the extent that such records relate to a declination to register to vote or to the identity of a voter registration agency through which any particular voter is registered.

52 U.S.C. § 20507(i)(1).

3. Plaintiff is seeking from Defendant the following records:

a. Documents regarding all registrants who were identified as potentially not satisfying the citizenship requirements for registration from any official information source,

including information obtained from the various agencies within the U.S. Department of Homeland Security, Texas Department of Public Safety, and from the Texas Secretary of State since January 1, 2006. This request extends to all documents that provide the name of the registrant, the voting history of such registrant, the nature and content of any notice sent to the registrant, including the date of the notice, the response (if any) of the registrant, and actions taken regarding the registrant's registration (if any) and the date of the action. This request extends to electronic records capable of compilation.

b. All documents and records of communication received by your office from registered voters, legal counsel, claimed relatives, or other agents since January 1, 2006 requesting a removal or cancellation from the voter roll for any reason related to non-U.S. citizenship/ineligibility. Please include any official records indicating maintenance actions undertaken thereafter.

c. All documents and records of communication received by your office from jury selection officials—state and federal—since January 1, 2006 referencing individuals who claimed to be non-U.S. citizens when attempting to avoid serving a duty call. This request seeks copies of the official referrals and documents indicating where your office matched a claim of noncitizenship to an existing registered voter and extends to the communications and maintenance actions taken as a result that were memorialized in any written form.

d. All communications regarding your list maintenance activities relating to #1 through 3 above to the District Attorney, Texas Attorney General, Texas State Troopers/DPS, any other state law enforcement agencies, the United States Attorney's office, or the Federal Bureau of Investigation.

4. The parties have negotiated in good faith and now jointly enter into this Agreed Order to resolve Plaintiff's claims without prolonged and costly litigation.

II. JURISDICTION

5. This Court has jurisdiction over this matter, pursuant to 28 U.S.C. § 1331 and 52 U.S.C. § 20510.

III. APPLICABILITY

6. The provisions of this Agreed Order shall apply to and bind the parties and their successors and assigns.

7. This Agreed Order is effective as of the date it is entered by this Court.

IV. TERMS AND CONDITIONS

Lists, Reports, and Catalogs of Registrants Cancelled Due to Non-U.S. Citizenship

8. Defendant shall provide to Plaintiff all lists, reports, and catalogs of occurrences showing registrants whose voter registrations were cancelled because the registrant did not satisfy the citizenship requirements for voter registration.

9. The lists, reports, and catalogs described in paragraph 9 shall include, but are not limited to:

- a. Registrants whose voter registration records contain the cancellation code (or other notation) used to indicate that the registration was cancelled due to non-U.S. citizenship; and
- b. Registrants who requested cancellation of their voter registrations due to non-U.S. citizenship.

Lists, Reports, and Catalogs of Registrants Who Were Sent a “Notice of Examination”

10. Defendant shall provide to Plaintiff all lists, reports, and catalogs of occurrences showing registrants who, for reasons relating to the citizenship of the registrant, received a “Notice of Examination,” the notice described by Texas Election Code § 16.033 or § 16.0332, or any other similar notice.

11. The lists, reports, and catalogs described in paragraph 11 shall include, but are not limited to, registrants whose voter registration records contain the notation “con-exam.”

Lists, Reports, and Catalogs of Applicants or Registrants Who Answered “No” to the Citizenship Question on the Voter Registration Form or Left the Question Blank

12. Defendant shall provide to Plaintiff all lists, reports, and catalogs of occurrences showing registrants who answered “No” to the citizenship question on the voter registration form or left the question blank.

List of Registrants Disqualified from Jury Service Due to Citizenship Defects

13. Separately and apart from the lists and reports described in paragraph 9, Defendants shall provide to Plaintiff all lists and reports showing registrants disqualified from jury service due to non-U.S. citizenship. These reports shall include the lists described in Texas Government Code § 62.113, Texas Election Code § 16.0332, and Texas Election Code § 18.068.

Records of Voter Registration Activities, Correspondence, and Applications

14. For each registrant included in the lists, reports, and catalogs described in paragraphs 8-13, Defendant shall provide the following:
- a. A summary of voter registration activities, including but not limited to a copy of the registrant's "Voter Update" page, or a similar record that shows a summary or history of the registrant's voter registration activities;
 - b. All documents associated with the registrant, including but not limited to a copy of the registrant's original voter registration application and any subsequent voter registration applications submitted by the registrant, and any correspondence sent to or received from the registrant.

Communications with Law Enforcement

15. Defendant shall provide to Plaintiff records of all correspondence between Defendant and any law enforcement body, including, but not limited to, the Harris County District Attorney, concerning registrants whose registrations were cancelled due to non-U.S. citizenship.
