The screenshot shows a Windows-style application window titled "ESM" with a menu bar containing "File", "Edit", "Insert", "Records", "Window", and "Help". The main window is titled "Voters: Modify Voter" and displays information for a voter named "KAREN" with ID "002814333-02". The status is "Cancelled" and "Security: Not Restricted". The "Last Changed" date is "1/15/2008 2:00:2". There are tabs for "General", "Districts", "Votes", "Correspondence", "Petitions", "Changes", and "Documents". The "Votes" tab is selected, showing a "Voting History" table with columns: "Cnty", "Date", "Election", "Method", "Party", "Location", "Reason", "Prec", and "Split". The table is currently empty. A modal dialog box titled "No Data For Report" is displayed in the center, with the message: "The printing/previewing of this report has been cancelled because there is no data to be displayed. Check the selected options to make sure that valid criteria has been entered." Below the dialog are "Print" and "Preview" buttons, and a checkbox labeled "Include Elections in Which Voter Did Not Vote". At the bottom of the dialog are "OK" and "Cancel" buttons. The status bar at the bottom of the dialog shows "Record: 1 of 1 (Filtered)". The Windows taskbar at the bottom shows the "Start" button and the active window "ESM - \\Remote".

To Whom It May Concern:

I am writing to request that my name be removed from the voter registration list.

I am not eligible to vote as I am not an American citizen.

I had just come into the United States on a fiancé visa, and applied for a drivers license on August 1, 1996. When it came to the "register to vote" part of the application, I asked the attendant if I should fill it out. I told her that I didn't think I was qualified to vote as I wasn't a citizen. She thought I should fill it out anyway, and that it would be rejected if I was not qualified.

I have never voted in any election, and will not do so until I am a citizen.

Please remove my name from the voter registration list, and provide documentation to that effect, as well as a copy of my "voting record" that I may forward with my citizenship application.

Thank-you.

Sincerely, ..

Karen
