Re: Your March 15, 2017 letter

Dear Director Churchwell:

I am writing in response to your March 15, 2017 letter concerning the list maintenance program prescribed by the federal National Voter Registration Act. More specifically, you have requested that the Commissioner of Registration for Burlington County, George T. Kotch allow inspection (or provide copies) of documents concerning voter registrants in Burlington County whose United States citizenship has been drawn into question based on information obtained from any source since 2009.

For ease of reference, I have repeated below each of the four requests you have made, with the Commissioner's response to each request appearing immediately below the request.

Request #1. Documents regarding all registrants who were identified as potentially not satisfying the citizenship requirements for registration from any information source, including information obtained from the New Jersey Motor Vehicle

Commission or from the New Jersey Department of State since 2009. This request extends to all documents that provide the name of the registrant, the voting history of such registrant, the nature and content of any notice sent to the registrant, including the date of the notice, the response (if any) of the registrant, and actions taken regarding the registrant's registration (if any) and the date of the action. This request extends to electronic records capable of compilation.

Response #1. Copies of the documents responsive to your request are enclosed.

Request #2. All communications regarding your list maintenance activities relating to #1 above to the County Prosecutor(s), New Jersey Attorney General, New Jersey State Police, any other state law enforcement agencies, the United States Attorney's office, or the Federal Bureau of Investigation.

Response #2. The Commissioner's office does not have any records that are responsive to your request.

Request #3. The total voting-age population in your jurisdiction as of the date of your response.

April 25, 2017

Page 3

Response #3. The Commissioner's office does not maintain any records that are responsive to your request. You may find information about the County's voting-age population on the website of the United States Census Bureau at www.census.gov.

Request #4. The total number of voters registered in your jurisdiction as of the date of your response.

Response #4. The total number of registered voters in Burlington County as of 05/04/2017 is 307,090. [If total includes registrants under 18 years old, explain and provide number, if possible]. Our total includes 1,501 registered voters on pending 17.

.

If you have any questions concerning any of these responses, please contact [identify here the name, title, office telephone number and/or email address of the person to be contacted]. Thank you.

Sincerely,

A handwritten signature in black ink that reads "George T. Kotch". The signature is written in a cursive style with a large, stylized "G" and "K".

If your voting residence address does not contain a street name, you may provide a Rural Route number and box number, but DO NOT USE A POST OFFICE BOX NUMBER. A Post Office Box is not a residence address. If using Rural Route number, include specific location of residence. Examples of voting residence: military home of record; permanent home address in U.S.; locality or state where you paid taxes, however long ago it may have been. It would be helpful if you list a name and telephone number of a local contact in the Remarks Section in the event the local election official has a question concerning the application.

REPLY TO: TRENTON

Dear Mrs. Nyikita:

The Government Accountability Office (GAO) report (GAO-05-478) identified the federal judiciary as a potential data source for notifying state election officials of individuals who claim to be non-citizens for verifying voter registration eligibility. GAO recommended that the federal courts assist state election officials to assure that voter lists are accurate.

Pursuant to that recommendation, and in accordance with provisions in our jury plan, I am enclosing a list of persons who have identified themselves to us as non-citizens through our juror qualification process. The list provides the names of those potential jurors who have responded negatively to the question on citizenship status on our qualification questionnaire.

If you have any questions or concerns, you may contact me at the number below.

Sincerely,

WILLIAM J. HOLLAND, JR.
