Above voter came to office & requested his voter history (2008, 03 & 04) & that his name be removed from voter records for citizenship purposes. Voter is not a citizen. When questioned, he advised he lived in EHT but voted in NJ. When asked why he registered for "Dollar Store" address in NJ instead of his home in EHT, he said "they made me!"

Requested Information, Documents, and/or Forms

Applicant: Mohammed Salim
Application for Naturalization, Form N-400
Alien Number: A093084383
Application ID: ESC*002113474

Please submit the following information, documents, or forms:

Please provide a copy of your voter history, which can be obtained from the Atlantic County Board of Elections. Also, be sure to submit evidence that you have removed your name from the list of registered voters in your county.

Submitting Secondary Evidence and Affidavits

The non-existence or other unavailability of required evidence creates a presumption of ineligibility. If a required document, such as a birth or marriage certificate, does not exist or cannot be obtained, an applicant or petitioner must demonstrate this and submit secondary evidence, such as church or school records, pertinent to the facts at issue. If secondary evidence also does not exist or cannot be obtained, the applicant or petitioner must demonstrate the unavailability of both the required document and relevant secondary evidence, and submit two or more affidavits, sworn to or affirmed by persons who are not parties to the petition who have direct personal knowledge of the event and circumstances. Secondary evidence must overcome the unavailability of primary evidence and affidavits must overcome the unavailability of both primary and secondary evidence.

Where a record does not exist, the applicant or petitioner must submit an original written statement on government letterhead establishing this from the relevant government or other authority. The statement must indicate the reason the record does not exist, and indicate whether similar records for the time and place are available. However, a certification from an appropriate foreign government that a document does not exist is not required where the Department of State's Foreign Affairs Manual indicates this type of document generally does not exist. An applicant or petitioner who has not been able to acquire the necessary document or statement from the relevant foreign authority may submit evidence that repeated good faith attempts were made to obtain the required document or statement. However, where the Service finds that such document or statements are generally available, it may require that the applicant or petitioner submit the required document or statement.

Any document containing foreign language submitted to the Service shall be accompanied by a full English language translation which the translator has certified as complete and accurate, and by the translator's certification that he or she is competent to translate from the foreign language into English.

The following are examples of secondary evidence which may be submitted for consideration:

Baptismal certificate. - A certificate under the seal of the church where the baptism occurred, showing date and place of birth, date of baptism, the names of the godparents, if known.

School record. - A letter from the school authorities having jurisdiction over school attended (preferably the first school), showing the date of admission to the school, date of birth or age at that time, place of birth, and the names and places of birth of parents, if shown in the school records.

Census record. - State or Federal census record showing the name(s) and place(s) of birth, and date(s) of birth or age(s) of the person(s) listed.

Affidavits. - Notarized affidavits of two persons who were living at the time, and who have a personal knowledge, of the event your are trying to prove - for example, the date and place of a birth, marriage, or death. The persons making the affidavits may be relatives and need not be citizens of the United States. Each affidavit should contain the following information regarding the person making the affidavit: His(Her) full name and address; date and place of birth; relationship to you, if any; full information concerning the event; and complete details concerning how he (she) acquired knowledge of the event.

RE: Matias C. Rojas - Non Citizen

Matias C. Rojas came to office of Superintendent of Elections, requesting voter registration documentation for himself, as requested by US Citizenship and Immigration Svs. as part of his efforts to become a US citizen. Record check revealed Rojas had illegally registered to vote in May, 2010, and had voted in the General Election, 2010.

He completed card in order to be removed from active voter registration roles, and was then given Voter Profile as an active voter. He was then deleted from the active voter registration roles, and provided Voter Profile indicating his deleted status. This are identified as Documents #1 and #3, on INS paperwork. (See attached).

Dear Officer Begey:

This is regarding Carlos Alberto Gamarra, 223 W. Pleasant Ave., Pleasantville, New Jersey, 08232.

Be advised that Mr. Gamarra visited this office this date and requested information relative to voter registration. He was advised that he was a registered voter, but had never voted. He stated that he did not realize that he had registered to vote in October, 2008, did not understand what he was signing at that time, and was never aware that he was a registered voter. He asked that his name be immediately deleted from the voter registration records, as he was not a citizen, and as such, not eligible to be registered to vote. This was done, and is documented on the attached copy of Mr. Gamarra's Voter Profile.

Please contact me if I can be of any further assistance to you.

Very truly yours,

Marjorie Durdack

Oscar Trujillo, DOB February 3, 1957

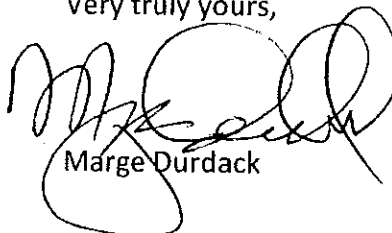

To Whom It May Concern:

The above captioned individual came to this office to request removal of his name from the NJ Statewide Voter Registration System because he is not a US citizen. This has been accomplished today, and this action is documented on copy of the updated Voter Profile attached. Mr. Trujillo has never voted in any election.

Voter has indicated that he never registered to vote, even though a voter registration form bearing this voter's name and signature, was received and entered into the voter registration system in February, 2000. This original voter registration application form has since been archived.

From time to time persons have signed voter registration application forms out on the street, not aware of what they are signing. Please feel free to call me if you have any further questions.

Very truly yours,

Marge Durdack

FORM N-14 REQUEST FOR EVIDENCE

**PLEASE SUBMIT THE FOLLOWING ITEMS IN CONNECTION WITH YOUR N-336
REQUEST FOR A HEARING ON A DECISION IN NATURALIZATION
PROCEEDINGS:**

At your hearing on December 13, 2012 you were confronted with information indicating that you registered to vote in the state of New Jersey. The following facts surrounding your voter's registration were presented to you:

- The name associated with the registration is **TRUJILLO, Oscar**.
- The date of birth associated with the registration is **February 03, 1957**.
- The address associated with the registration is **7 Oakland Avenue in Pleasantville, NJ 08323-3227**.
- The voter identification number associated with the registration is **107137853**.
- The motor voter identification number associated with the registration is **751790**.
- There is **no party declaration** attached to the registration.
- The registration is currently **active**.

When asked at your hearing if you had ever voted or registered to vote in the United States, you denied ever having done so. Regardless, you must obtain information explaining then, why you have a voter's registration attached to your identity. To do this, you should go to your local election authorities and have them explain, in writing, whether or not you registered to vote and whether or not you have voted in any election. They must also explain how the voter's registration became associated with you. If it is determined by the election authorities that you indeed registered to vote and/or actually voted in any election, they must also list the elections in which you voted and provide confirmation that you have been removed from the list of eligible voters.

The requested documentation must be original or certified as original by the issuing authority. Photocopies without proper original certification are unacceptable and will be rejected. Original certification means original letterhead and raised seals or stamps. The certification must also be submitted to USCIS in a sealed envelope from the issuing authority.

YOU HAVE THIRTY (30) DAYS TO SUBMIT THE DOCUMENTS TO:

USCIS Field Office
530 Fellowship Road
Mount Laurel, NJ 08054

DID YOU KNOW?

The Constitution of the United States of America established that Presidential Elections should be held on the first Tuesday after the first Monday in November. The month of November was chosen by our founding fathers because by November, the fall harvest season was over and citizens have the time to travel to the county seat where most official business was conducted.

It was decided that Tuesday should be Election Day because Sunday was a day of religious observance and a day of rest, and the first Monday of the month was generally reserved for official court business in the county seat. Our fore bearers chose the first Tuesday after the first Monday as Election Day so that the voters would have a full day to travel to their polling place in order to exercise their right to vote.
