Reference: Vote Cancellation and Voting History

Dear Sir,

I was registered as voter in Atlantic County by mistake. In fact during some election campaign of local election a group knocked at our door and got my information and registered my vote without my consent. I told to the person taking my information that I am not still a citizen; he insisted that you can vote in local election. At that time I did not know the law. I had an interview for my citizenship on 29th May 2013 at USIS office at Mount Laurel, NJ, and INS officer told me that I have to cancel the vote registration and also get voting history from Atlantic County Voting Registrar's office and also get voting history that I have never voted.

I am requesting to cancel my vote and also issue me the voting history so that I may send it to INS office. I am also attaching the letter that I received from INS office. Thank you very much for your cooperation.

Sincerely

Roma John

Re: Emmanuel Matthew Dan
File Number - A 099 220 130

The above captioned person came to this office today requesting information relative to voting records that may exist for himself. He advised that he had never registered to vote, and has never voted.

A review of the NJ Statewide Voter Registration records revealed that Mr. Dan registered to vote in October, 2006, but has never voted. It should be noted that the signature of record in the voter registration files, does not match Mr. Dan's signature on his Passport, or when he signed his name in my presence.

This voter has requested that his name be removed from all voter records, and that documentation of this be provided, again stating that he has never registered to vote. This was accomplished and his Voter Profile is attached herewith, showing that his current status is "Deleted". Please feel free to contact me if you have any questions. Thank you.

REPLY TO: TRENTON

Dear Mr. DiSimoni:

The Government Accountability Office (GAO) report (GAO-05-478) identified the federal judiciary as a potential data source for notifying state election officials of individuals who claim to be non-citizens for verifying voter registration eligibility. GAO recommended that the federal courts assist state election officials to assure that voter lists are accurate.

Pursuant to that recommendation, and in accordance with provisions in our jury plan, I am enclosing a list of persons who have identified themselves to us as non-citizens through our juror qualification process. The list provides the names of those potential jurors who have responded negatively to the question on citizenship status on our qualification questionnaire.

If you have any questions or concerns, you may contact me at the number below.

Sincerely,

WILLIAM J. HOLLAND, JR.

REPLY TO: TRENTON

Dear Mr. DiSimoni:

The Government Accountability Office (GAO) report (GAO-05-478) identified the federal judiciary as a potential data source for notifying state election officials of individuals who claim to be non-citizens for verifying voter registration eligibility. GAO recommended that the federal courts assist state election officials to assure that voter lists are accurate.

Pursuant to that recommendation, and in accordance with provisions in our jury plan, I am enclosing a list of persons who have identified themselves to us as non-citizens through our juror qualification process. The list provides the names of those potential jurors who have responded negatively to the question on citizenship status on our qualification questionnaire.

If you have any questions or concerns, you may contact me at the number below.

Sincerely,

WILLIAM J. HOLLAND, JR.
Director of Court Services

REPLY TO: TRENTON

Dear Mr. DiSimoni:

The Government Accountability Office (GAO) report (GAO-05-478) identified the federal judiciary as a potential data source for notifying state election officials of individuals who claim to be non-citizens for verifying voter registration eligibility. GAO recommended that the federal courts assist state election officials to assure that voter lists are accurate.

Pursuant to that recommendation, and in accordance with provisions in our jury plan, I am enclosing a list of persons who have identified themselves to us as non-citizens through our juror qualification process. The list provides the names of those potential jurors who have responded negatively to the question on citizenship status on our qualification questionnaire.

If you have any questions or concerns, you may contact me at the number below.

Sincerely,

WILLIAM J. HOLLAND, JR.
Director of Court Services

REPLY TO: TRENTON

Dear Mr. DiSimoni:

The Government Accountability Office (GAO) report (GAO-05-478) identified the federal judiciary as a potential data source for notifying state election officials of individuals who claim to be non-citizens for verifying voter registration eligibility. GAO recommended that the federal courts assist state election officials to assure that voter lists are accurate.

Pursuant to that recommendation, and in accordance with provisions in our jury plan, I am enclosing a list of persons who have identified themselves to us as non-citizens through our juror qualification process. The list provides the names of those potential jurors who have responded negatively to the question on citizenship status on our qualification questionnaire.

If you have any questions or concerns, you may contact me at the number below.

Sincerely,

WILLIAM J. HOLLAND, JR.
Director of Court Services

Re: NJ Statewide Voter Registration - #152744538

Dear Mr. Guisande:

Thank you for your cooperation during our telephone conversation of today. Enclosed is the form letter we spoke of. Please sign this letter at the bottom, confirming that you are not a United States Citizen, and return it in the enclosed envelope. Once you become a United States citizen, you will be eligible to register to vote.

As we discussed, you went to NJ Division Motor Vehicles to get your Driver's License, and were asked if you also wished to register to vote. Your Mother, who accompanied you, told you that you could not register to vote because you only had a Green Card, and were not a citizen. However, the Division of Motor Vehicles employee told you that you could register to vote with a Green Card and that is the only reason you signed the voter registration form at the Division Motor Vehicles.

Believing you were eligible to vote, you went to vote for the first time in November of this year. Your name was not in the Poll Book because of an address problem, which caused you to vote by Provisional Ballot. On the Provisional Ballot Affirmation Statement, you answered question #2, "Are you a US Citizen" NO. This answer was the reason for my telephone call to you today.

Your name has been deleted from the NJ Statewide Voter Registration System today. Once you achieve your citizenship, please re-register to vote. If you have any questions, please call me.

Very truly yours,

Marge Durdack, Investigator

Subject: Registered Non-citizen

Date: 3/13/2015 11:26:57 AM

Jose DeLeon, #152617755, registered to vote at NJMVC in June, 2013. He voted once on November 4, 2014. Last week, Danielle received a call from a Catherine DeLeon, his wife, advising that her husband, Jose, was a non-citizen but had registered to vote and was voting. She left her number for a return call (674-7149). Numerous attempts were made to reach her to no avail, and a letter was ultimately send to Jose DeLeon, advising him to sign and return same, thereby documenting that he was a non-citizen. This letter, signed by the voter, was received today, and his voting record was deleted.

FYI - In the eyes of INS, a non citizen that casts a vote is a serious infraction of immigration law, and may negatively affect his citizenship status.
