Sub : Erroneous Voter Registration for a non US Citizen.

Sir / Madam,

I have received the attached Voter Acknowledgement Card in the mail. However I am NOT eligible to Vote since I am NOT a US Citizen.

I recently moved to a new address and the Motor vehicle Commission might have notified your office.

I talked to you're a board representative on the phone and she requested me to send the card back to the board off to get it cancelled and de-register myself.

Please have the card cancelled and remove me from the registration list.

Let me know if any further documentation is required.

Regards
