RE: NVRA Request

Dear Chief Nago:

I am writing on behalf of the Public Interest Legal Foundation to request inspection (or production) of statewide voter registration records.

The Public Interest Legal Foundation (“Foundation”) is a nonpartisan, nonprofit, public-interest law firm that studies voter list maintenance procedures throughout the Nation.

The National Voter Registration Act of 1993 (“NVRA”), 52 U.S.C. §§ 20501 *et seq.*, requires each state and the District of Columbia to make available for public inspection “all records concerning the implementation of programs and activities conducted for the purpose of ensuring the accuracy and currency of official lists of eligible voters.” 52 U.S.C. § 20507(i)(1).

Pursuant to Section 20507(i) of NVRA, the Foundation requests that your office reproduce or provide the opportunity to inspect the following records:

1. A current or most updated copy of the complete SVRS voter roll extract containing all data fields provided to requestors having a government or election purpose under H.R.S. § 11-97(a).

Should further clarification be required, send email to churchwell@publicinterestlegal.org.

Thank you for your assistance in advance.

Sincerely,

A handwritten signature in black ink, appearing to read "Logan Churchwell". The signature is fluid and cursive, with a prominent initial "L" and a long, sweeping underline.
